Improved Services - Comorbidity Project

Psychologist/Mental Health Social Worker Casual

CatholicCare ACCESS Program offers bulk billing counselling services to people on low incomes, and is expanding to meet the growing demand for these services.

CatholicCare ACCESS offers psychological intervention to people experiencing mental distress, working within a Cognitive Behavioural Framework, with a focus on issues such as depression, anxiety and comorbidity.

The program is seeking a Registered Psychologist or a Mental Health Social Worker to join the team on a sessional basis as a casual employee.

The program offers an hourly rate of \$60 plus superannuation of 9%, and is seeking a commitment for 6 appointments/sessions per week, with further opportunities to increase appointment hours. As a casual employee all insurances are covered by CatholicCare, and we offer a professional development allowance for each counsellor.
