

Who is CatholicCare?

CatholicCare, formerly known as Centacare, is the welfare arm of the Roman Catholic Church and has operated within the Archdiocese of Canberra & Goulburn for more than 50 years.

During this time CatholicCare has grown from the beginnings of a small volunteering organisation to the large multidisciplinary welfare agency it is today. CatholicCare operates with a simple and clear premise – to help people.

This aim has not changed over the years.

Helping people involves valuing, strengthening, assisting, supporting and caring for people who are less advantaged in our community.

Do I have to be Catholic to use this service?

The answer is NO. CatholicCare provides services to all members of our community. We ensure equitable access to all individuals using our services.

Privacy and Confidentiality

CatholicCare is committed to providing high quality services with respect to confidentiality, accessibility and equity to persons in the community. With this quality in mind we have also attained Quality Management System accreditation to ISO 9001:2008.
